

January 2017

Dear Members

I write to invite you to renew your membership to the Friends of Footh Cray Meadows for 2017. With a healthy and vibrant membership we can continue to engage local people and represent our communities in support of the Meadows.

Together our proven, responsible and well respected Friends Group forcibly demonstrates the passion we have for the Meadows and how important the Borough's open spaces are in keeping Bexley a great place to live, work, study or visit.

We have come as long way since 2006 but there is always so much more we can do our AGM will be in June and we will; welcome your participation and support with this year's events.

Membership remains at £5 for each household per annum which finances our public liability Insurance and other costs allowing us to deliver volunteer opportunities, operate the Information Centre, invite guest speakers and organise events.

As a member you receive our newsletter and regular updates of our events and activities. You have a vote at the Annual General Meeting. Being a member is about belonging and making a difference and we particularly welcome new people to be involved in running the Friends to ensure our ongoing success. So do come along meet us and join in with our activities.

I and the committee look forward to receiving your subscription using the form below. (We would appreciate a stamped addressed envelope) and seeing you soon. With many thanks for your continued support.

Michael Heath (Chairman)
